

Robert Moyer

As a father of five children, two of which attend English Catholic schools, and a husband of a Catholic school teacher, Robert believes in the Catholic way of life, and asks for your support in making him the next English Catholic School Board Trustee.

Robert graduated from Nipissing University with a Bachelor of Science (Environmental) in 2008, and decided to remain in this community with his family.

Robert has always been a strong supporter of community with his Guardian Angels Services that looks after the needs of the elderly and disabled citizens. He's a member of the Knights of Columbus, Our Lady of Sorrows/Holy Spirit Church parishioner, and youth ball hockey coach. Along with previously being Executive members of the Board of Directors Gneiss Housing Co-operative, Executive Member of Board of Directors for the North Bay Right to Life, Member of Christian Student Advisory Group for Nipissing University and a Volunteer Fire Fighter.

Although Robert is new to the West Nipissing area, the Catholic faith is global, and the teachings are consistent throughout the world. He is hoping to be given the chance to uphold church doctrine, and protect our faith within the realms of our educational systems, he believes we can prevail and our children will succeed with the added value of the church's moral fortitude grounding each and every one of them, and assuring their advantage in a world rife with secularism and uncertainty.

Make no mistake, we, our church, and our school systems are under attack both from inside, and outside our infrastructure and it is going to take much effort and courage to preserve and to protect its systems from this. I truly believe that this is achievable with God's grace and perseverance from all parties concerned.
